Chris - Sorry that I didn't respond to your email sooner - it ended up in my Junk mail file for some reason. I'm reviewing the QAPP right now but I may not have it done by end of today. I will send them by noon tomorrow if I don't get them out today.

Paula,

Have you had a chance to review the Draft QAPP for the Upper Animas Watershed data task order yet? We're supposed to provide our comments by tomorrow (16 Jun). Please let me know if you have comments yet, or if not, when you expect to have them.

Thanks,
Chris
